By signing an application, an applicant or proposed encroachment owner, or both, agree to accept the following general obligations and responsibilities:

1. Assume all legal liability and financial responsibility for the encroachment activity for the duration of the permit;
2. Be responsible for any repair or maintenance work to the encroachment for the duration of the permit;
3. Comply with the Department's traffic control standards;
4. Obtain written approval from the abutting property owner if the encroachment encroaches on abutting property;
5. Upon notice from the Department, repair any aspect or condition of the encroachment that causes danger or hazard to the traveling public;
6. Remove the encroachment and restore the right-of-way to its original or better condition if the Department cancels the encroachment permit, and terminates all rights under the permit;
7. Reimburse the Department for costs incurred or deposit with the Department money necessary to cover all costs incurred for activities related to the encroachment, such as inspections, restoring the right-of-way to its original or better condition, or removing the encroachment;
8. Notify a new owner to apply for an encroachment permit, as required by R17-3-502(D);
9. Apply for a new encroachment permit if the use of the permitted encroachment changes;
10. Keep a copy of the encroachment permit at the work site or site of encroachment activity;
11. Construct the encroachment according to plans that the Department approves as part of the final permit;
12. Obtain required permits from other government agencies or political subdivisions;
13. Remove any defective materials, or materials that fail to pass the Department's final inspection, and replace with materials the Department specifies.
